

Wrinkles Come

To many a face which should still be smooth and fair. Worry doesn't bring them. There are no cares and anxieties to furrow the face. They are the signs of physical suffering, graven by the hand of pain. It is the saddest result of the diseases which affect the womanly organs that they write plainly the sad record of suffering on the face and form. The skin becomes sallow, the cheeks are sunken, the eyes look dull, the body falls away. No woman who values her health or good looks should neglect to use Dr. Pierce's Favorite Prescription for diseases of the womanly organs. It cures irregularity, inflammation, ulceration and female weakness. It lights up the eye, brightens the complexion, and rounds out the sunken curves of the body.

"I take great pleasure in recommending Dr. Pierce's Favorite Prescription for female weakness," writes Mrs. Annanah Permenter, of Pauls Store, Shelby Co., Texas. "I was troubled with bearing down pains in my back and hips six years, and I wrote to Dr. Pierce for advice. I tried his 'Favorite Prescription' and six bottles cured me. I feel like a new person, and I thank Dr. Pierce for my health. Life is a burden to any one without health. I have told a great many of my friends about the great medicine I took."

Dr. Pierce's Common Sense Medical Adviser, 1008 pages, sent free on receipt of stamps to pay cost of mailing only. Send 21 one-cent stamps for paper covered book, or 31 cents for cloth. Address Dr. E. V. Pierce, Buffalo, N. Y.

These are the best shoes in make, stock and style that come to this market.

There will be a young runner entered by the name of Wright and it might be saft not to overlook him. he has fine nee action for his age and may prove a winner in his class. That horse Stokley has sum what of a record. He has made several long heets before and you might here something drap after all. For fear of an acident don't miss examining that O'Connell horse. He is mighta hard to holde when the bell rings. As to a quarter race that little mustang hors called Dink never has been knocked out. Let us keep ishering the proper meticin at the cooling stations and evry thing will come around as squar as a pistol. My friend Jim Grigsby, says he rode on a trane once that went one thousand miles in one hour. I wonder if he ant bin about the cooling stations latly. That knocks out built time. As I wish to act and be as honest as my stomach and concene will allow mee I want to ask this question: I bought a new par pants the other night paying two dollars for them and putting them on I begin examining the pockets and found a new five dollar bill in the little watch pocket. The question is who put it in there, and ant I got a rite to keep it or not? My concene and honor gese a long ways, but I beleave I can make that five go further: wel excuse me Mr. Moor has dropped in. You may know what that means. Now the bal is open for all night. OF INTEREST TO SUNDAY SCHOOL WORKERS.

Important Meeting at Georgetown March 13, 14 and 15.

The State, county and district officers of the Kentucky Sunday School Association hold a conference at Georgetown on the above dates. The object is to promote the Sunday School interests of the State.

The State Association is interdenominational in character, being an organization of the denominations by the denominations. Its plan of work is to organize every county in the State by calling the Sunday School workers together in convention annually, and by the election of a President, a Secretary and an Executive Committee who look after the Sunday School interests of the county under the direction of the State Executive Committee and the General Secretary. The Magisterial districts are organized in the same way. This meeting at Georgetown is a conference of these officers for the purpose of improvement in their work. It is not confined, however, to these officers. All persons interested in Sunday School work, and especially pastors and Superintendents, are invited. The two evening sessions and the afternoon of the last day are devoted to the work of the Individual Sunday School.

This meeting is not in lieu of the Annual State Convention. It meets at Danville, August 20, 21 and 22. Any one who contemplates going to Georgetown should send his name at once to Mr. J. M. Hunt, Georgetown, and entertainment will be provided.

The Taylor Lecture.

The lecture by Ex-Gov. Bob Taylor last week was a rare treat. His subject was "Sentiment." This was his third visit to our city and his popularity is increasing. A large audience greeted him. He was introduced by Chas. D. Grubbs in a well worded and delivered speech.

Prosecuting Attorney, Charles L. DeWaele, who has passed the three-score mile stone, had a time with the grip; but when seen at his home in Roscommon, Mich., the other day, he said Dr. Miles' Nerveine was what cured him.
